From the

Chairman & Managing Trustee

Indian Institute of Nursing Science, Mirza

Dear Students, Parents, and Well-wishers,

It is my privilege to welcome you to the Indian Institute of Nursing Science (IINS), Mirza. Nursing is not just a profession, it is a noble calling rooted in service, compassion, and dedication. With the growing demand for skilled healthcare professionals, we at IINS are committed to preparing nurses who are not only academically sound but also compassionate caregivers.

As the Chairman & Managing Trustee of IINS Mirza and Chairman cum Managing Director of Critical Care Group of Hospitals, I strongly believe in bridging the gap between medical education and real-world healthcare practice. Through our collaboration with Critical Care Hospital & Research Institute, Guwahati, our students gain unmatched clinical exposure, hands-on training, and mentorship from experienced healthcare professionals.

Our vision is to provide quality nursing education in a supportive environment, empowering our students to become leaders in healthcare, both in India and globally. With modern infrastructure, dedicated faculty, and state-of-the-art facilities, IINS Mirza strives to nurture not just competent professionals but also compassionate human beings.

I invite you to be a part of this journey of learning, growth, and service. Together, let us build a healthier and more compassionate society.

Dr. Nilutpal Sut

Chairman & Managing Trustee, IINS Mirza

Chairman cum Managing Director, Critical Care Group of Hospitals

About

Indian Institute of Nursing Science

Our Mission

To provide high-quality nursing education that blends knowledge, practice, and values.
To develop professionals who serve society with dedication and empathy.
To create a learning environment that fosters innovation, compassion, and lifelong growth.
To prepare nurses with strong clinical skills and leadership qualities.

Our Vision

To be a centre of excellence in nursing education by nurturing compassionate, skilled, and ethical healthcare professionals who can contribute meaningfully to society and the nation.

Academic & Clinical Excellence

At IINS, Mirza, we believe that quality nursing education must integrate classroom learning with real-world exposure. To ensure this, we have a tie-up with Critical Care Hospital & Research Institute, Guwahati, where students gain practical experience in patient care and advanced clinical training.

Our experienced faculty members guide students through a curriculum that balances theoretical knowledge, practical skills, and values of empathy and care. This approach not only builds professional competency but also instills confidence and leadership qualities in our graduates.
